

Sefer Torah Shape Find-It!

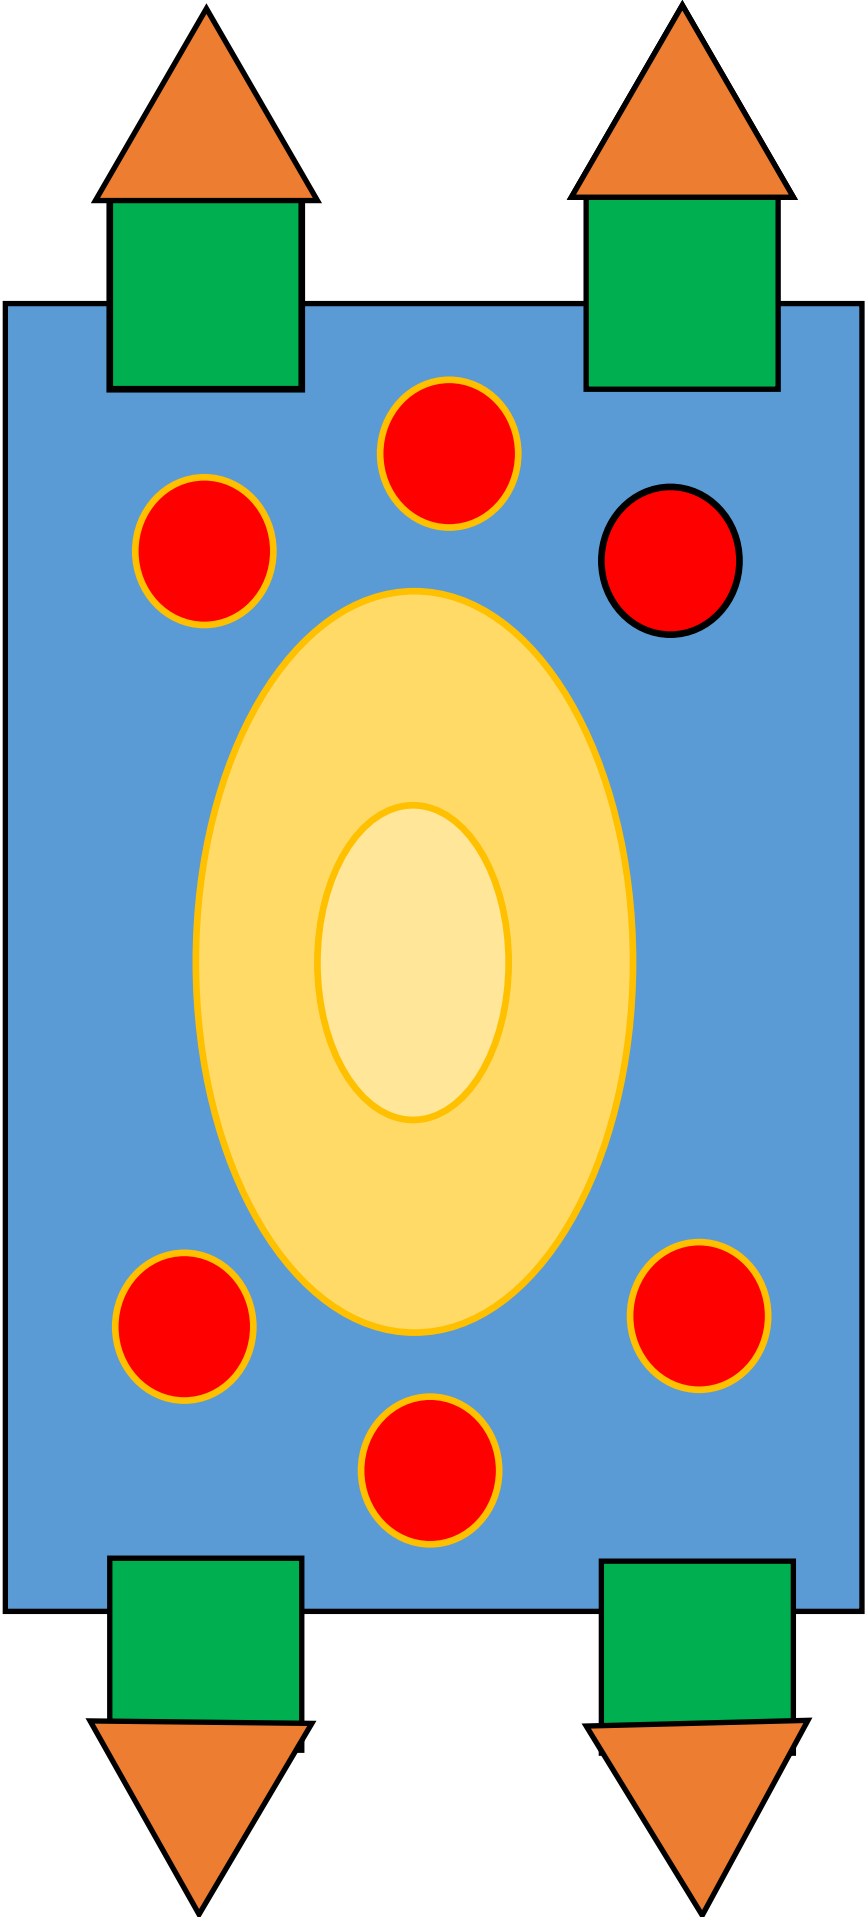

By Korey Fredman,
Torah Umesorah St. Louis Teachers' Resource Center

Find the shapes and colors in the sefer Torah!

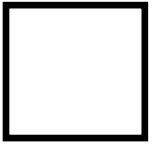

What appears to be a simple picture of a sefer Torah is actually loaded with squares, rectangles, circles, triangles, and ovals, in various colors.

Your children will review their shapes and colors by counting each shape that they find in the picture.

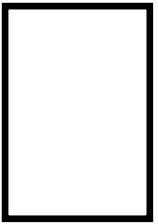

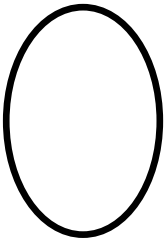

FIND THE NUMBER OF EACH SHAPE AND COLOR ON THE SEFER TORAH
