Ice Cream Scoop Counting Activity

Summer is here! Treat your children to this fun, basic activity which reinforces numbers and counting.

Materials:

(Choose any of the following)

Playdough

Crayons

Scissors

Directions:

Option A:

Form scoops out of play dough. Read the number on the ice cream cone and place the corresponding number of scoops onto the ice cream.

Option B:

Read the number, count the scoops, and color in the corresponding number of ice cream scoops.

Option C:

Cut the scoops, read the number, place the corresponding number of scoops on the ice cream cone.
