

Did you gain from these timely bonus sessions?

***Stay tuned for our late summer training  
to help teachers plan everything 'reentry' related  
and transition students back to classrooms.***

Or join us at <https://theteachersroom.org/>  
for the full 2020-2021 school year training by telephone.  
Experience expert support, strategies, and solutions for  
teachers, twice monthly, guiding you through your most  
successful year from the comfort of your own home.

Don't miss out!  
Early bird and group discounts available through July.  
Email [info@theteachersroom.org](mailto:info@theteachersroom.org) for more info  
or to be added to our mailing list.

- **The Present**
- Neilah
- The finish line is before us

- Face to face farewells
- Summer HW
- Housekeeping

**Master Teacher**

**To Do List**

- **'The only two certainties' were Assessment and Report Cards**

- Remember general aims of assessment
- What best describes 'now'
- No derivatives
- Let go of what should have been
- Averages don't tell the whole story here
- Reinvent the reality
- Think of the students and parents
- Perfect opportunity to value effort over achievement

- **The Past**

- Remember the memories
- Curriculum mapping and adjustments
- Pay it forward -detailed log of let go's
- Inter-grade and intra- grade communication
- Plan additions and expansion
- It's on you

- **The Future**

- Getting our students there
- Summer clubs and suggestions
- Expand your curriculum before September
- Think about all the forms skills support may take
- Where were you when JFK...
- But they should be ...NOT
- Scouts motto – be prepared
- Trauma, grief, financial devastation and their new reality
- Bring your A game for classroom management
- Redesigned lesson design and delivery
- Incorporate portables -projects and independent study's
- Leave the big decisions for people making big bucks
- Making the wait for Mashiach more tangible
